Joelle,

Some updated information for KUCC

Rich Borden is now handling groundwater permits for KUCC. He is still the contact for the Bingham Reclamation Plan. His new number is 252-3651.

The new contact for annual reports for KUCC will be Jim Kandolin at 569-6208 (Rich's old number).

Nick Tzouzoulakis (sp?) has resigned and KUCC does not yet have a replacement for him as contact for the Tailings Expansion. Paula Doughty would be the contact for this until the position is filled.
